PB's Observations RELEASED IN FULL
Rwanda

- Creating hospitable conditions in Rwanda.
 - How can we become more convinced that new GOR wants people to return?

Priority Action Items

- Paying arrears
 - Finding if there is more money left in off-shore banks
 - Repairing infrastructure
 - Pay civil service/military salaries
 - Let GOR or should a donor do this?
 - Deploy UNAMIR
 - Get equipment and food to troops
 - Find/deploy remaining human rights monitors
 - Provide the logistical support to monitors
 - Get Security Council resolution on Tribunal
 - Demonstrate political will to get this underway
 - Get together with Belgians to discuss what they are planning to do on the judicial system
 - Find out who, if anyone, is looking at land tenure issues and come up with strategy/resources
 - Proceed with action items on investigations, etc.
 - Keep abreast of seed needs
 - Find out how French view situation
- Security in camps
 - Revisit contract option. Put it to donors: What better idea do you have?
 - Locate ex-FAR
 - Ask GOZ, DART
 - Open lines of communications with ex-military and ex-government (who?!)
 - Find out what French are doing, what they are willing to do, what they want have happen
 - Come up with strategy if FAR has blended in with refugees. Is this good? bad?
 - Get a hold of the Petrie plan. If we can't come to a way to separate folks, Why continue to focus on it (except for security of relief workers)
 - What do we want UNAMIR to do if
 - incursions occur
 - RPA crosses into Zaire
 - full scale war breaks out
 - Figure out what is the best we can realistically hope for within
 - 6 months
 - 12 months
- on each of our key issues
